□ Read this book for FREE on the Kindle Unlimited NOW! □

Nope, I'm not sharing a secret. Rather, I'm letting everyone know that I'm so proud of it! Either my caveman good looks or Midwestern background developed my love for meat and poultry. As far as I can recall, the best meals I've had are all meat-based. Meat and Poultry dishes always fill my heart with happiness, especially a platter of tender and juicy braised chicken thighs and kale with crunchy breadcrumb toppings and my grandma's filling Bolognese—a delicious sauce of ground beef with buttered noodles, Parmesan cheese, and a few acidic tomatoes. Can't wait to discover the book "111 Mexican Steak and Chop Recipes" right now!

- 111 Awesome Mexican Steak And Chop Recipes

Meat, as well as poultry, can play the lead role in a meal, such as an awesome roast of prime rib served in special gatherings. Sometimes, it can play the supporting role, such as beef-studded Southern greens, which is the way I eat daily. No matter what, meat and poultry usually add a special touch to any dish, meal, or even an entire event.

You're sure to get several great choices in the book "111 Mexican Steak and Chop Recipes", whether you're preparing food for a dinner party or just making a weeknight dinner for your family.

Lastly, a few words from one meat lover to another: I hope your steaks would always be medium-rare yet crusty on the outside, your fridge be always stocked up with bacon, your potatoes be fried in duck fat and turn out crispy, and your sides be fresh, seasonal, and bursting with flavors.
