Gluten Free foods can be enjoyed by just about anyone - those with a gluten intolerance (whether or not they have a diagnosis of celiac disease), and everyone else – friends and family included. Gluten-free eating can be either a matter of choice, or a necessity.

These dishes (some of my favorites) will make you feel like you're eating a regular diet again. There are some vegan recipes, too, for those of you who want to eat vegan. The food still tastes delicious and can be food your whole family will enjoy.

Eating gluten free can be not only fun but healthy for you. If you stick to fish, lean red meat and vegetable dishes, you can have main meals that taste wonderful and yet don't upset your intestines. Bon Appetite!
