

Best Ways To Enjoy Scones: Delightful Tips that will Leave You Craving for More

Scones are a beloved British treat that has gained popularity worldwide due to their crumbly texture and delicious flavor. These baked goods are perfect with a cup of tea or coffee, and can be enjoyed on their own or with a variety of toppings. In this article, we will explore the best ways to enjoy scones, giving you delightful tips that will leave you craving for more.

Traditional Scones

The traditional way to enjoy scones is to serve them warm, straight from the oven. To achieve the perfect texture, it's important to handle the dough lightly and avoid overmixing. Once baked, you can enjoy them as they are or spread some clotted cream and strawberry jam on top. The combination of the crumbly scone with the smooth cream and sweet jam is simply divine.

Variety of Flavors

While traditional scones are a classic choice, there are also numerous flavor variations available that can elevate your scone experience. Consider adding ingredients such as blueberries, chocolate chips, or lemon zest to the dough for a burst of flavor. These unique flavors will add excitement to your scone tasting adventure and keep you coming back for more.

Savory Scones

Scones are not limited to sweet flavors only. Savory scones are a fantastic option for those who prefer a more hearty taste. You can add ingredients like cheese, bacon, or herbs to the dough to create a savory delight. Savory scones are perfect for brunch or as an accompaniment to a soup or salad.

High Tea Experience

For a truly decadent scone experience, why not have a traditional English high tea? High tea offers a range of delicious pastries and scones, served with clotted cream, jam, and a variety of teas. Enjoying scones as part of a high tea experience is a great way to feel elegant and indulge in some culinary delights.

Scone-Based Desserts

Scones can also be used as a base for creative and mouthwatering desserts. Crumble them up and use them as a topping for fruit pies or cobblers. You can also turn them into a delicious bread pudding by soaking them in a custard mixture and baking until golden and crispy. The possibilities of scone-based desserts are endless, and they are sure to impress your friends and family.

Afternoon Picnic Treat

Pack a basket full of scones, along with some clotted cream, jam, and your favorite tea or coffee, and head out for an afternoon picnic. Scones make for a perfect outdoor treat. Find a beautiful spot in nature, spread out a blanket, and enjoy the fresh air while biting into these delectable treats.

Scones, Cocktails, and Mocktails

Who says scones can only be paired with tea or coffee? Experiment with different alcoholic or non-alcoholic beverages to create unique combinations. Enjoy your scones with a glass of champagne, a fruity cocktail, or even a refreshing mocktail. The contrast between the rich scone and the beverage of your choice will take your taste buds on a delightful journey.

Whether you prefer them sweet or savory, traditional or with a twist, scones offer a delightful experience for food enthusiasts. From enjoying them warm with clotted cream, to using them as a base for delectable desserts, the possibilities are endless. So, go ahead, explore the best ways to enjoy scones, and let your taste buds indulge in this irresistible treat.

English people love their tea – a lot. While it is also a favorite drink elsewhere in the world, no one does it like the Brits. They make a fuss of their tea times with an elaborate spread that features teas and pastries and savories, but mostly scones! Yup, scones are a basic when it comes to tea times. And its good news that it's pretty basic to make, too.

You do not really have to fuss about it around the kitchen because you can cook a good batch of different flavors, from sweet to savory to everything in between, in so little time and with little effort as well. Scones are the English response to the American biscuits, although the latter is mostly served for breakfasts, brunches, lunches, and dinners. They are quite similar in the way they are served (ex. clotted cream, jam, butter), but they differ in a sense that scones are slightly sweeter and crunchier!

Scones make the perfect pair with a cup of tea. In fact, the afternoon tea would be dull if a scones platter is nowhere to be found at the table. That's the point of this cookbook. We are leading you the way to the English afternoon tea by giving you no less than 30 different scones recipes to play around with. Some are sweet, some are savory, some are plain, some are stuffed, some are fruity, and some are meaty – name your preference, and you will definitely have it.
