WHAT IS A REDNECK? The true meaning of redneck is inside this wonderful book. This is a unique cookbook with a southern flavor of 100 plus recipes. They're also chapters on canning, cooking on a wood stove, and wild game. This book is written with humor, witticisms, and filled with homespun stories about raising 6 kids on a 200-acre farm in Louisiana. I know first hand because my Mama wrote this book 40 years ago. It was never marketed properly so people didn't know about it until now. We hope to change that. I'm her 60-year-old son and Mama turned 90 in May 2020. We are very happy and excited to share this unique cookbook with the world. I know you will enjoy the mouthwatering recipes. Some great dishes such as chicken and dumplings, goulash, sweet butter roll, berry cobblers, homemade biscuits, cornbread, and many cakes and pies. There are many other dishes that I know you and your family will enjoy. If you enjoy cooking and would love to learn how to cook these delicious southern recipes, then this cookbook is for you.
