Does the summer tickle your nose and the smell of the neighbor's barbecue? Do you fancy a delicious barbecue evening with your family and friends? Are you thinking of a new grill that you can dedicate properly? Then let this book convince you with delicious recipes and the advantages of a modern gas grill!

Grilling has now become a cult standard in summer. It enjoys widespread popularity and entire supermarkets are geared towards the large wave of barbecues. While the supermarket takes care of physical well-being, one question remains: which grill best suits personal requirements and meets expectations. There are now numerous variants of how to grill. The classic wood grill variant, the new electric grill option or the modern and uncomplicated gas grill option. In this book, you can find out what advantages a gas grill has in store for you and how it can meet all your expectations. In addition, numerous recipe ideas perfectly complement your new gas barbecue experience and let the summer start successfully and your barbecue evening end with pleasure.

This is what awaits you in this book:

- Great recipe ideas
- Delicious and easy to prepare summer dishes
- Everything about gas grills and why they'll be your new best friend
- A refresher course to become a grill specialist
- And much more that belongs to a successful culinary summer

Buy this book now so that you can convince yourself of a gas grill and impress your friends and family with new culinary highlights!
