Marijuana, cannabis, weed, ganja, however you like to call it, is an amazing plant used by many for its many healing properties. Of course many also use it recreationally, especially since the increasing legalization in different states across the US. You no longer have to go to Amsterdam to legally enjoy some weed.

Whether you use it as medicine or just to unwind, these recipes will allow you to get your required dose of this wonderful herb easily without smoking it but through some delicious and innovative recipes.

Most of the THC is burned and not used when smoking it due to overly high temperatures. With these recipes all of the THC will be extracted from the buds, so you'll be able to use much less than you normally would when smoking it.

This cannabis cookbook, delivers the most irresistible recipes that will turn getting high a delicious experience.
