We have never seen such a deep connection between food and feelings. There is nothing like that in the whole universe. You always ask a loved one on what he or she feels for lunch or dinner. You cannot see the connection, but food and feelings are much intertwined. Having an awesome meal with your loved ones, makes you love them more and love that great food more. I feel more love after preparing and cooking food for someone. It has that kind of stronger connection because we shared a special moment of survival, which is by feeding them. It's very fascinating to think about that we want to be with our loved ones and eat great food together. That is the greatest essence of a tradition and food will

always be a part of it. The love for food will always be the passion and it's the perfect gift for the Holiday!
