This cookbook is created keeping all the super moms in mind since; they hardly get any time. We should always remember that desserts could bring deliciousness to one's life and make us happy.

Desserts can bring the family close to each other, and it's always a good deal to spend a few minutes with them at the dinner table.

We just need a few basic ingredients (gelatin, sugar, water & very often corn-starch) to prepare the marshmallows. Marshmallows have a solid but soft consistency and don't require much effort.

Marshmallows are good for our skin and the digestive track, but high is sugar level.

This book has 40 excellent marshmallows recipes that you can prepare for yourself or guests anytime you want.
