“Funny, exciting, and ultimately epic. Wow. I can’t wait for the next one.” —Adam
Gidwitz, author of the New York Times bestseller *A Tale Dark and Grimm*

“Set in a magical world filled with incredible creatures from folklore, this fast-
paced fantasy will keep readers turning the pages . . . A captivating series
opener.” —Booklist, starred review

Magic is fading from the Wild Wood. To renew it, goblins must perform an ancient
ritual involving the rarest of their kind—a newborn changeling. But when the night
arrives to trade a human baby for a goblin one, something goes terribly wrong.
After laying the changeling in a human infant’s crib, the goblin Kull is briefly
distracted. By the time he turns back, the changeling has already perfectly
mimicked the human child. Too perfectly: Kull cannot tell them apart, so he leaves
both babies behind.

Tinn and Cole are raised as human twins, neither knowing what secrets may be
buried deep inside one of them. When they are thirteen years old, a mysterious
message arrives, calling the brothers to be heroes and protectors of magic. The
boys must leave their sleepy town and risk their lives in the Wild Wood,
journeying through the Deep Dark to reach the goblin horde and uncover who
they truly are.

In this first book in a new fantasy-adventure series, the New York Times
bestselling author of *Jackaby* takes readers on a journey of monsters, magic, and
discovery.
