Why Sorbet? The Perfect Refreshing Treat!

Sorbet is a frozen dessert that has been enjoyed for centuries. It originated in China and eventually made its way to Europe during the Middle Ages. What sets sorbet apart from other frozen treats is its refreshing fruitiness and light texture. Unlike ice cream, sorbet is made without dairy, making it a perfect choice for those who are lactose intolerant or following a vegan lifestyle.

Not only is sorbet delicious, but it's also incredibly versatile. You can make it using a wide variety of fruits and experiment with different flavor combinations. From classic choices like strawberry and lemon to unique blends like mango and basil or watermelon and mint, sorbet offers something for everyone.
