First presented as a series of articles in Unity Magazine in 1894-95, Lessons in Truth was published in three paperback volumes in 1896-97. In 1903 the book was published as a single volume by Unity School of Christianity.

Lessons in Truth is a clear, concise representation of New Thought philosophy and metaphysical Christianity. The spiritual concepts presented in these 12 lessons show us how to increase our personal empowerment and enhance our spiritual growth. Dr. Cady teaches that our lives can be transformed by the power of our thoughts, words and beliefs. She encourages us to find our truth as it is written in our own hearts and then apply these truths in every area of our lives.
