### Have you ever wanted to be the greatest Minecraft player in the world?

Is it possible you just want a quick shortcut to success and greatness in the world of the craft?

Are you tired of being blown up by creepers? Do you stay awake at night looking out your window as skeletons and zombies as they rule the dark hours? Are you afraid to go down deep into the mines where all those monsters truly are mean? Do you know that your mud hut is constructed with the whims and look of a child?

Well, we have exactly what you are looking for in your gaming experience. All of this and more is contained within these pages.

□ Amaze and astound your friends and family by showering them with diamonds. Oh yes, diamonds within one hour of starting the game.

□ Turn your builds around and to make them so astounding, your friends will want to contract you to build their structures for them.

□ Use Redstone by doing a simple door trick that looks super professional and yet requires no understanding of how Redstone works.

□ Learn how to enchant like an insane magician by manipulation of enchanting and learning how to level really fast.

This handbook is a compilation of over 10 years of solid Minecraft play. We are talking about experience from back when Minecraft was in version 2.

If you want to change your gaming experience one Minecraft block at a time and see the greatest and fastest way to diamond ever conceived in the game of Minecraft, look no further, this book goes into your collection.
