There's a reason so many restaurants put risotto on their menus: It's not a dish most people attempt to cook at home. Risotto has a reputation for being fussy—and that's not totally untrue. The dish requires a little attention and stirring, but at its core, it's really just rice and broth. And when those two simple ingredients come together, they create a creamy, almost magical dish that's well worth the effort.

Here is a Preview of the Risotto Recipes You Will Learn:

- Tallahassee Seafood Risotto
- Risotto Brasileiro
- Caprese Risotto
- No Rice Risotto
- Picnic Risotto
- Minty Garden Risotto

- Wisconsin Country Risotto
